Ms. Joan Perry

Department: English

About Her: Ms. Perry has been a devoted English teacher at North Andover High School for the past ten years. It is without question that she has left an indelible imprint on the hearts and minds of both students and faculty here. She will be greatly missed in the years to come.

Ms. Perry certainly has had a following who will miss her dearly—as will we all! She has been a mainstay here at the high school where she completely devoted herself to her "children". I'm sure I speak for all her students as well as her colleagues when I say we are grateful for her compassion, her friendship and her kind heart. She never let a birthday or a special occasion go by uncelebrated. She gave so much of herself. We wish her the same joy in her retirement that she has brought us these past 10 years.

-Mr. Paul Gregoire

Over the many years that you have worked here as an amazing english teacher, you have been loved by all students in your classes and even many who have never had you but stop by to get a piece of candy or hear a story about India. We have all come to know you for who you really are- a loving, caring teacher who is always there for her students through the good and the bad. Whether its going over those dreaded vocab words or hearing about how you got chased by monkeys, it's never a dull moment. You will be loved and missed at NAHS!

-Jake McCoy

Ms. Perry was one of my most influential teachers. She was a great teacher as well as a person that I could easily relate to. She taught in a fun and interesting way that could easily be understood. Ms. Perry was my favorite teacher and will forever be in my memory.

-Krissy Whitley

The glamorous and bejeweled Ms. Perry has added a rich and exotic flavor to our provincial community these last ten years. She is committed to reaching "the hearts and minds" of all her students and, to that end, she has succeeded brilliantly. As a friend, I know her to be a wonderful and generous hostess; she throws a great party and is a terrific cook of Indian cuisine. She is devoted to her family and friends, here and abroad. Now, we all wish "Mr. Perry's daughter" the happy, healthy, and adventurous retirement she so richly deserves.

The Yearbook Editors

When we volunteered to become the editors of the 2009 yearbook, we had no idea what was in store for us. Despite all the hard work and extremely long hours, we somehow managed to complete this monumental task. To some, this may just be a yearbook, but to us, it will be our creation as well as a tribute to the memories and friends that we have made here at **NAHS**.

At first, the tasks were easy. We did the typical preparations for the senior class, which included creating the superlatives and collecting candid photos. Soon, the time that we dedicated to yearbook began to get longer and longer and we spent more hours working on page layouts. On many occasions, we practically lived in the sauna of the yearbook room, skipping classes and dedicating our seminar periods, just so we could get one more page done or one more picture scanned. We all stayed hours after school and during vacations working on pages, while we gossiped and talked about our plans for the weekend. The long hours that we all spent together eventually turned five very different people into the closest of friends. Although we sometimes argued over a layout, or who got the comfy chair, none of us will ever regret joining yearbook. We now know that it was definitely worth it in the end.

This yearbook would not have been possible without the help of many people. We wish to thank **Mrs. Wolf** for everything that she has done this year. This entire yearbook would not have been possible without you and we wish you nothing but the best. You dealt with us through everything this year, and for that we are extremely grateful. We would also like to thank **Ms. Darmon** for helping us out as well. You really made sure that everything was going smoothly and that we were on task. A big thank you goes out to **Jostens Publishing Company** as well as our representative **Tom Keeley**. Thank you for your patience and guidance throughout the creation process. **Mark Lawrence Photography** has been a great help to us in making this book. They are responsible for most of the photography throughout the book. Thanks for all of the great pictures! Thank you to all businesses and parents that submitted advertisements, your funding has greatly helped us in making this book a reality.

Lastly, we would like to thank Facebook. Not only did it supply us with a theme, but also enough candids to fill up our pages.

Although we will leave **NAHS** on **June 5, 2009**, our memories that we made here will truly last a lifetime. We wish the class of 2009 the best of luck in their future endeavors. Even though we will all be going our separate ways, we hope that every time you open this yearbook, you will be reminded of the great friends and awesome memories that you had here at **North Andover High School**.

Sincerely,

**Daniela Bradburn, Maggie Lee, Jake McCoy,
Michael Traverso, and Krissy Whitley**

And that has made all the difference
